Dear Dr. Sidik,

Thank you for submitting your manuscript to SCIENTIFIC CULTURE.

Manuscript ID: SC-268

Title: MOSQUE IMAMS AS THEOLOGICAL AND SOCIAL PEACEMAKERS IN MULTI-RELIGIOUS URBAN COMMUNITIES: A PHENOMENOLOGICAL STUDY FROM THE GLOBAL SOUTH

The peer review process for your manuscript has now been completed. Based on the evaluation of Reviewer 1 and the recommendation of the Editorial Board, the decision is:

Decision: Revision Required (Conditional Acceptance)

The reviewer has provided constructive comments intended to strengthen the clarity, methodological rigor, and theoretical contribution of your manuscript. Please address the comments carefully and submit a revised version of your manuscript along with a detailed point-by-point response to the reviewer.

Below are the anonymized comments from Reviewer 1:

Reviewer 1 Comments:

1. The introduction would benefit from a clearer articulation of the research gap and a more explicit positioning of the study within the broader literature on religious leadership and urban peacebuilding.
2. Please elaborate further on the phenomenological approach, particularly regarding participant selection, data saturation, and reflexivity. Clarification on how thematic analysis was conducted would improve methodological transparency.
3. The discussion section should more explicitly connect the empirical findings to existing theoretical frameworks on interreligious dialogue and social cohesion in multi-religious societies.
4. Consider strengthening the conclusion by outlining practical implications for policymakers, religious institutions, and urban governance stakeholders in the Global South.
5. Minor language polishing is recommended to enhance clarity and readability.

Please submit your revised manuscript within 14 days of this notification. When submitting your revision, ensure that:

- All revisions are clearly highlighted in the manuscript.
- A separate "Response to Reviewer" document is uploaded.
- Any additional required publication documents are completed.

If you have any questions, please contact the Editorial Office at info@sci-cult.com and include your Manuscript ID (SC-268) in all correspondence.

We appreciate your contribution to SCIENTIFIC CULTURE and look forward to receiving your revised manuscript.

Dear Dr. Sidik,

Thank you for your continued cooperation throughout the peer review process of your manuscript submitted to SCIENTIFIC CULTURE.

Manuscript ID: SC-268

Title: MOSQUE IMAMS AS THEOLOGICAL AND SOCIAL PEACEMAKERS IN MULTI-RELIGIOUS URBAN COMMUNITIES: A PHENOMENOLOGICAL STUDY FROM THE GLOBAL SOUTH

Following the completion of the second round of peer review evaluation, we are pleased to inform you that your manuscript remains under Conditional Acceptance, subject to satisfactory revision in response to Reviewer 2's comments.

Decision: Minor to Moderate Revision Required

Please carefully review and address the following anonymized comments provided by Reviewer 2:

**Reviewer 2 Comments:**

1. The manuscript offers a meaningful contribution; however, the theoretical framework should more explicitly integrate Global South scholarship rather than primarily relying on Western peacebuilding literature.
2. Please provide clearer socio-political context of the selected urban communities to enhance international readers' understanding of interreligious dynamics.
3. Consider organizing the findings into more systematic themes with clearer subheadings to improve analytical coherence.
4. Briefly address researcher positionality, particularly given the religious sensitivity of the study.
5. Ensure consistency in citation style and verify that all in-text citations appear in the reference list.

We kindly request that you submit:

- A revised version of the manuscript with all changes clearly indicated.
- A detailed point-by-point response to Reviewer 2's comments.
- Any additional documents required by the editorial office.

Kindly note that final acceptance for publication will be confirmed only after the revised manuscript has been reviewed and approved by the Editorial Board.

Should you require any clarification, please contact the Editorial Office at [info@sci-cult.com](mailto:info@sci-cult.com) and include your Manuscript ID (SC-268) in your correspondence.

We appreciate your scholarly contribution and look forward to receiving your revised submission.
