Dear Dr. Askar Askar,

Thank you for submitting the manuscript "Housewives' Psychological Well-being from Qur'anic Perspective: The case of Women's Roles in Improving Family Economic Welfare in Bugis and Mandar Communities". The manuscript will be sent to reviewers and the review time will take about one month. We will let you know soon when we get the feedback.

Kind regards,

JPSP Editorial Board

Dear Dr. Askar Askar,

We have reached a decision regarding your submission entitled "Factors Influence Muslim Students' Motivation to Use Online Support Services within Islamic Higher Education in Indonesia". Our decision is Revision Required. Please prepare your revised paper (in MS Word or LATEX file format) adheres every detail of the guide of the authors <https://journalppw.com/index.php/jpsp/authorinstructions>, and check it for spelling / grammatical mistakes. You should revise your paper based on the reviewer comments as follows:

1. The abstract should be written to include background, aims, method, results, discussion, and conclusion.
2. Please state the problem in the introduction. If there is no problem, then no need to conduct the study. Please also state the objectives of the paper.
3. 25% of the references should be current, in particular references related to the theoretical constructs.
4. Please also state the contribution of the study to universities. The paper must also proofread because many typos and grammatical errors. You can access full review results through the editorial process by login into the journal website.

Please revise your paper as soon as possible and submit it through our online system as same ID number to keep up with publication schedule.

I look forward to hearing from you soon.

Thak you,

Best regards

JPSP Editorial Board

Best Regards,

JPSP Editorial Board
