Dear Authors,

We have reached a decision regarding your submission entitled "**Internalization of Multicultural Education Values in Scouting Extracurricular Activities at a State Vocational High School in Indonesia**" to Seybold Report. Please always refer to <https://seyboldreport.org/#about> to revised your paper. Our decision is: Revisions Required

1. The abstract needs be improved because it does not help reader to understand the content of the paper. A good abstract should include the primary objective of the paper, the contribution, a conceptual idea on the method, the research design and procedures/processes employed, and the main outcomes or results, and also the conclusions.
2. In the introduction section, the authors should make clear what the problem is. The authors' motivation and the objective to write the paper should also be addressed.
3. Please quote at least five relevant latest references.
4. We suggest the authors to clearly state state the contribution of the study to the body of knowledge in the conclusion section.

Please prepare your revised paper (in MS Word or LATEX file format) adheres every detail of the guide of authors (https://seyboldreport.org/call_for_papers), and check it for spelling/grammatical mistakes. The goal of your revised paper is to describe novel technical results.

Please try to follow the format as closely as possible.

Please submit your revised paper in MS Word file format (or compressed file of your LATEX source files. Then your revised paper will be judged on originality, significance, interest, clarity, relevance, correctness, and presentation; either accepted or rejected.

I look forward to hearing from you.

Best Regards,
Editor In Chief
